Consider the following hypothetical scenario in the 2020 election: Imagine the U.S. Constitution didn't prevent Presidents from serving a third term, and former President Obama became the Democratic nominee. He would be challenging President Trump's bid for re-election. In that scenario, for which candidate would you vote?

Suppose a proposal was on the ballot next year to add a monthly fee to consumers' monthly electricity bill to combat climate change. If this proposal passes, it would cost your household $10 every month. Would you vote in favor of this monthly fee to combat climate change, or would you vote against this monthly fee?
|	Total	Romney/Clinton	Obama/Trump
